Approximate duration: 4 minutes

PERFORMANCE NOTES :

- The 32nd notes in the right hand of the piano beginning in measure 21 can be played more like grace notes rather than full-value 32nd notes.
- In measure 53, the word “aged” should be pronounced with two syllables.
- In measure 55, treat the word “fires” as a one syllable word.
- The *suggested* bowing for the cello in measure 17 is:

Continuities

Nothing is ever really lost, or can be lost,
No birth, identity, form—no object of the world.
Nor life, nor force, nor any visible thing;
Appearance must not foil, nor shifted sphere confuse thy brain.
Ample are time and space—ample the fields of Nature.
The body, sluggish, aged, cold—the embers left from earlier
fires,
The light in the eye grown dim, shall duly flame again;
The sun now low in the west rises for mornings and for noons
continual;
To frozen clods ever the spring's invisible law returns,
With grass and flowers and summer fruits and corn.

-Walt Whitman
