## Iam Lucis

### Text

*IAM lucis orto sidere,  
Deum precemur supplices,  
ut in diurnis actibus  
nos servet a nocentibus.*

*Linguam refrenans temperet,  
ne litis horror insonet,  
visum fovendo contegat,  
ne vanitates hauriat.*

*Sint pura cordis intima,  
absistat et vecordia:  
carnis terat superbiam  
potus cibique parcitas.*

*Ut cum dies abscesserit,  
noctemque sors reduxerit,  
mundi per abstinentiam  
ipsi canamus gloriam.*

*Deo Patri sit gloria,  
eiusque soli Filio,  
cum Spiritu Paraclito,  
nunc et per omne saeculum.  
Amen.*

### Translation

*NOW in the sun's new dawning ray,  
lowly of heart, our God we pray  
that He from harm may keep us free  
in all the deeds this day shall see.*

*May fear of Him our tongues restrain,  
lest strife unguarded speech should stain:  
His favoring care our guardian be,  
lest our eyes feed on vanity.*

*May every heart be pure from sin,  
and folly find no place therein:  
scant meed of food, excess denied,  
wear down in us the body's pride*

*That when the light of day is gone,  
and night in course shall follow on,  
we, free from cares the world affords,  
may chant the praises that is our Lord's.*

*All laud to God the Father be,  
all praise, Eternal Son, to Thee;  
all glory, as is ever meet,  
to God the Holy Paraclete.  
Amen.*

From the Liturgia Horarum, translation by Alan G. McDougall (1895-1964)
